### TRAIL #3: Les Noues froides et les étangs

Start: Town hall

Distance: 6 km

**D.** Take rue d'Orléans in front of the town hall, then turn onto the 2<sup>nd</sup> street on the right (rue des Crayers). Turn left at Croix Noire, then again left at the 1<sup>st</sup> intersection for rue de la Croix St Marc. Keep on going until the road D153

**1.** Cross the road and walk facing the traffic. After 200 m, turn left onto a limestone alley. Follow it. Soon you will glimpse the pond of Villofry on your left.

**2.** Follow the trail until a bend and take the 2<sup>nd</sup> path on your left. Soon you will come to the place where the pond tails off.

**3.** After a small distance somewhat uphill, turn onto the large path on your left. The pond of Villofry appears at 500 m farther on the left.

**4.** From an embankment at left, you may observe in season waterfowl like ducks, herons and moorhens....Return onto the main path which then enters the woods

**5.** Take left at the 1<sup>st</sup> intersection and continue straight ahead. Pass the forest house of La Gimotière at your right.

**6.** Continue alongside another pond on the left and take the 1<sup>st</sup> path on the right and then join the large limestone alley. Turn left and go to the intersection with the road D153.

**Return** to the village center by rue de la Chapelle and rue de Chateauvieux.
