

TRAIL #4: La piste cyclable par la Croix du Tertre

TRAIL #4: La piste cyclable par la Croix du Tertre

Start: Town hall

Distance: 12 km

D. Take rue d'Orléans in front of the town hall, then the 2nd street at left (rue de Chateaufieux).

1. Continue straight ahead to meet the biking trail which crosses the national forest of Lamotte. You will arrive at Croix du Tertre where you can discover an inscription in latin*, the motto of the family Saint Pol.

The path on the right leads to Jardin des Lierres (Ivy Garden); this could be another hiking goal. If you want to visit the snail raising farm, please, make an appointment (website: www.jardin-des-lierres.fr).

2. At the cross, follow the trail on the left. After about 1 km you arrive at a place named "le Tertre" offering a beautiful view where one may observe some deer.

3. The trail proceeds downhill. When it levels out, continue for about 400m. Leave the trail and take the 1st path on the left. A little bit farther, take a large alley on the right which terminates at the soccer stadium of Lamotte.

Return by the same way.
